

Deseret Army Chemical Depot

BRAC 2005 Recommendation:

BRAC 05 recommendation will formally close Deseret Army Chemical Depot upon completion of its chemical demilitarization mission. This is a single function installation used for the storage of chemical munitions, which is governed by the Chemical Weapons Convention Treaty. Utilization of any capacity directly related to the chemical storage/demil of Deseret cannot be considered for future use with another function (storage) until chemical demil is completed, and all storage capacity has been certified for other use. This certification will not take place until chemical demil mission is completed.

Gains:

- None, close Desert Army Chemical Depot

Losses:

- Storage igloos and magazines to Tooele Army Depot
